Dear Dr. Sheibane,

I just had to write you
and tell you how thrilled
I am with the new face
and especially neck you gave me.
I can't begin to tell you!

Thank you for making me
feel like family. Not only
by you but your entire staff.
Gonnet and Judy are always
so nice and there are no
words to describe Jennifer.
She's the greatest, next to you
of course!

Thank you Dr. Sheibane

Sincerely

Shubert
