Dearest Dr Shebani & Jen,

It has been a "privilege" meeting u. I can only thank God brought u into our lives for a purpose, & for that I thank Him. U are a "blessing" to all around u!

Thank - u again for the "Wonderful" way in which u handled me & my operation. I look forward to my "face lift".

May God continue to bless u & make His face shine on u all.

♥. Dinky
