

Dear Dr. Shebani

I never dreamt how easily you could erase my life long complex about my thigh. I am thrilled with my results and that is only two months after my operation. Now I can't wait to strut my STUFF!

I also wanted to take this opportunity to say, that I could never THANK YOU ENOUGH for your special BEDSIDE manner!!

The operation was painless. I didn't even need to take pain killers after the op. That is how fantastic you are!

All I can say is
THANK-YOU 4 CHANGING MY
LIFE!

Always indebted
Your patient
Mandy
